

## Indian Banks' Association

### RFP FOR DESIGN, IMPLEMENTATION AND MANAGEMENT OF A CENTRAL REGISTRY SOLUTION

#### INVITATION TO VENDORS

- a. The scope of the project envisages a complete turnkey solution which includes
  - a. Design, develop and implement the central registry system as per the functional and technical requirements specified in this document. This would primarily have a data collection system, where banks/FIs/HFCs can register the equitable mortgage transactions and data dissemination system for lenders and general public to access/search the data in the central registry.
  - b. Create, implement and maintain the Data Centre of registry at a co-hosted site in Delhi/National Capital Region.
  - c. Develop Business Continuity Plan and maintain a Disaster Recovery Centre at a co-hosted site at a location identified by the vendor and approved by IBA.
  - d. Provide facilities management services to Central Registry.
  - e. Provide application level support to the member institutions/users over the contract period.
- b. The RFP documents need to be purchased from the IBA office as mentioned in the communication address. The Vendors would need to make a **non-refundable** payment of ₹ 20,000/= (Rupees Twenty thousand only) in the form of Demand Draft or Banker's Cheque in favour of "Indian Banks' Association" payable at Mumbai. Last date of the purchase of RFP is as mentioned in the table below. Pre-bid queries will be entertained only from those vendors who have purchased the RFP from IBA..
